President's Championship Message

Gentlemen

Congratulations to you all for reaching the championship finals. Please enjoy your day and I look forward to watching a fine day's bowling.

We are indebted to Diss & District BC and Scole & District BC, who have kindly offered us the use of their facilities today, and I hope you will enjoy your bowling at these two clubs. I must also thank the umpires and markers for giving us of their time.

Through factors beyond our control, of which I do not need to remind you, my term in office has extended to two years and even after a total lack of activity last year, this year has been truncated. There was no Eastern Counties League this year and we have only been able to fulfil five of our intended ten friendly fixtures this summer, but despite the absence of one of our members, we did manage to compete for the Bedford Cup. I am so pleased that we are able to be here for our championship finals today.

I was honoured that Norfolk Bowls Association invited me to be their representative as Eastern Counties President and although circumstances have been difficult, I have had great pleasure in carrying out my duties. In normal times, ECBA's first friendly fixture is against Norfolk in May and I am grateful to Norfolk Bowls Association for managing to rearrange this fixture so that I did not miss out on playing against my home county.

Lastly, but very much not least, I must thank Trevor Hackett for his unstinted support and his sterling efforts on the Association's behalf. He has kept me informed and advised throughout my term in office and has made things easy for me; his help has been invaluable.

I hope my successor in office, Peter Lee of Bedfordshire, will enjoy his spell as your President and that you will grant him the same support as you have given me.

My very best wishes to you all.
